Cancellation of U23 Nations Cup 2020

WMF Executive Committee has decided unanimously to cancel the U23 Nations Cup 2020. The U23NC was scheduled for May 30-31, 2020 in Murnau, Germany as a preparation tournament for the Youth World Championships 2020 at the same venue.

The decision for cancellation underlines that WMF is not willing to put the health of our athletes, coaches, officials and local helpers on the line.

The Covid-19 pandemic may affect also other championships planned for 2020 and WMF is following the development closely and takes further decisions in close cooperation with local organizers. WMF is following recommendations and instructions given by local, regional and national governments and health authorities anytime.

We wish all minigolf friends good health, patience and endurance in these difficult times and hope to see you all on the minigolf courses as soon as it is safe again to train and compete.

President states:

As soon as the crisis will go down one day officially confirmed on local base, SPORT will be one of the important engines to bring the social life back to our world. Until this green light is announced I would like to ask all of you for your understanding and your rationality to take the corona situation VERY SERIOUS and to follow all regional, national and worldwide demands.

Stay home, stay safe and take care of those, who need help in a proper way!

Dr. Gerhard Zimmermann
President

Sandra Walker
Secretary General
